CRES invites you to its November 2009 public meeting:

"Alternative Transportation" Thursday, November 19 / 7:00 PM

NOTE NEW LOCATION !!!

Red Rocks Community College

Community Rm. (Lower Level), 13300 W. 6th Ave., Lakewood
(between Simms/Union & Indiana exits, south of US 6 Frontage Road)

Also Available via FREE LIVE WEBCAST!

Peak Oil, Global Warming, and other factors are converging to challenge our cherished tradition of driving anywhere we want in gasoline-powered vehicles. Join CRES and a panel of experts to discuss the increasing variety of ways to get around with little or no gasoline.

CRES is assembling a panel of experts to discuss various electric vehicles, bicycles, transit, walkable communities, tele-commuting, and other low- and no-energy transportation options.

***FREE for CRES Members
and those with a current
Red Rocks Community College ID,
and only \$5 for non-members***

The Colorado Renewable Energy Society (CRES) increases awareness of the economic and environmental benefits of renewable energy and energy efficiency, and serves as Colorado's leading resource for renewable energy information. More information is available on the CRES website: www.cres-energy.org.

***Please copy and distribute this flyer, and then
join us for this educational and inspiring event!***
