

Green Jobs/Career Resources Fair Hosted by CRES

Saturday, October 3rd. 2009

9:00 a.m. - 12:00 noon

**First Universalist Church of Denver
4101 E. Hampden Ave. (at Colorado Blvd.)**

The Colorado Renewable Energy Society (CRES), will be hosting a Green Jobs/Career Resources Fair in conjunction with the Denver Tour of Solar Homes on Saturday, October 3rd.

The fair will help you learn more about green jobs and green careers in Colorado. You'll have an opportunity to meet some of the Denver Metro Area's leading green industry employers as well as talk with representatives from local education institutions and green jobs training organizations.

**The fair will be absolutely FREE to both
participating organizations and attendees.**

Plan to stop by and jump-start or renew your green career!
