

2nd Annual WINTER GALA & FUNDRAISER

Friday, February 10th

Join with renewable energy and energy efficiency industry leaders and community supporters from across the state for a fun evening of entertainment, food and drink as we raise funds to support the Colorado Renewable Energy Society and Denver's Sustainability Park.

This year, the evening opens with a **VIP reception** where guests have the opportunity to mingle with the speakers for the Gala **Ms. Robin Kniech**, Denver City Councilwoman; and **Ms. Susan Greene**, American Solar Energy Society President as well as several energy and thought leaders from around the state. A partial list of additional VIP's invited includes **Mr. Mike Nelson**, KMGH Meteorologist; **Mr. Ron Binz**, former chair of the Public Utilities Commission; and **Dr. H. Malcolm Newton**, President of the Denver Institute of Urban Studies.

After the VIP reception, the Gala will begin with cocktails and hors d'oeuvres while we bid on **silent auction** items ranging from restaurant gift certificates and ski lift tickets, to a behind-the-scenes tour of the Denver Zoo.

When the silent auction closes, more fun is on the way! We'll enjoy a **sit-down feast** while we hear from speakers Ms. Robin Kniech and Ms. Susan Greene.

After dinner, the bidding really heats up. Auctioneer **Don Martin** will entertain the audience during the **live auction**. There is something for every budget and taste! Past auction items have included a California wine country getaway, several "stay-cations", a motor scooter, and the popular Board of Director's Wine Cellar.

Arvada Center for the Arts and Humanities

6901 Wadsworth Boulevard, Arvada, CO 80003
