OFFICE OF SUSTAINABILITY

# *Denver's Approach to Renewable Energy*

*Presentation to the  
Colorado Renewable Energy Society  
June 19, 2014*

*Jerry Tinianow, Chief Sustainability Officer  
Jerry.Tinianow@Denvergov.org  
720-865-9072*

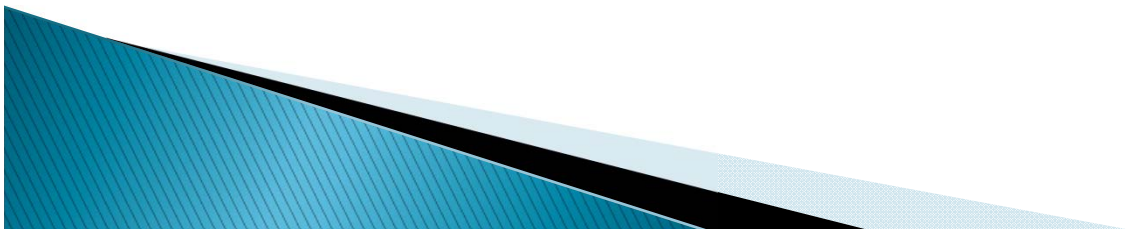

**DENVER**  
OFFICE OF SUSTAINABILITY

## 2020 COMMUNITY ENERGY GOAL:

Hold total energy consumed in Denver for buildings, mobility and industrial processes below the total consumed in 2012, while supplying at least half of that total from renewable sources.

**DENVER**  
OFFICE OF SUSTAINABILITY

## 2020 GOV'T OPERATIONS ENERGY GOAL:

Reduce energy consumed in city-operated buildings and vehicles by 20% while doubling renewable energy produced from city facilities over the 2012 baseline.
